"The American beauty"

Do you like my Hefty 3-ply designer dress?

This year's Junior class was busy raising money for the Junior-Senior Prom. Along with this responsibility came the task of supplying decorations for Homecoming, and contributing to the Bronzed Tiger. C.R. Goodin, Junior class advisor, was quoted as saying, "I've been very pleased with the Junior Class this year. They've worked hard and achieved all their goals. They've raised over $5,000, presented their class gift, and put on one of the best proms ever. Thanks to everyone who worked so hard to make this year a success."

REFLECTIONS

This year's Sophomore class was very active in participating in school functions. Fund raising was among the priorities for the class to start preparing for next year's prom. Like the junior and senior class, the sophomores contributed to the purchase of the bronzed tiger. "The class of '84 has been great to work with for the past two years. They represent the best at BVHS and I'm proud of them," stated advisor Jan Vandree.

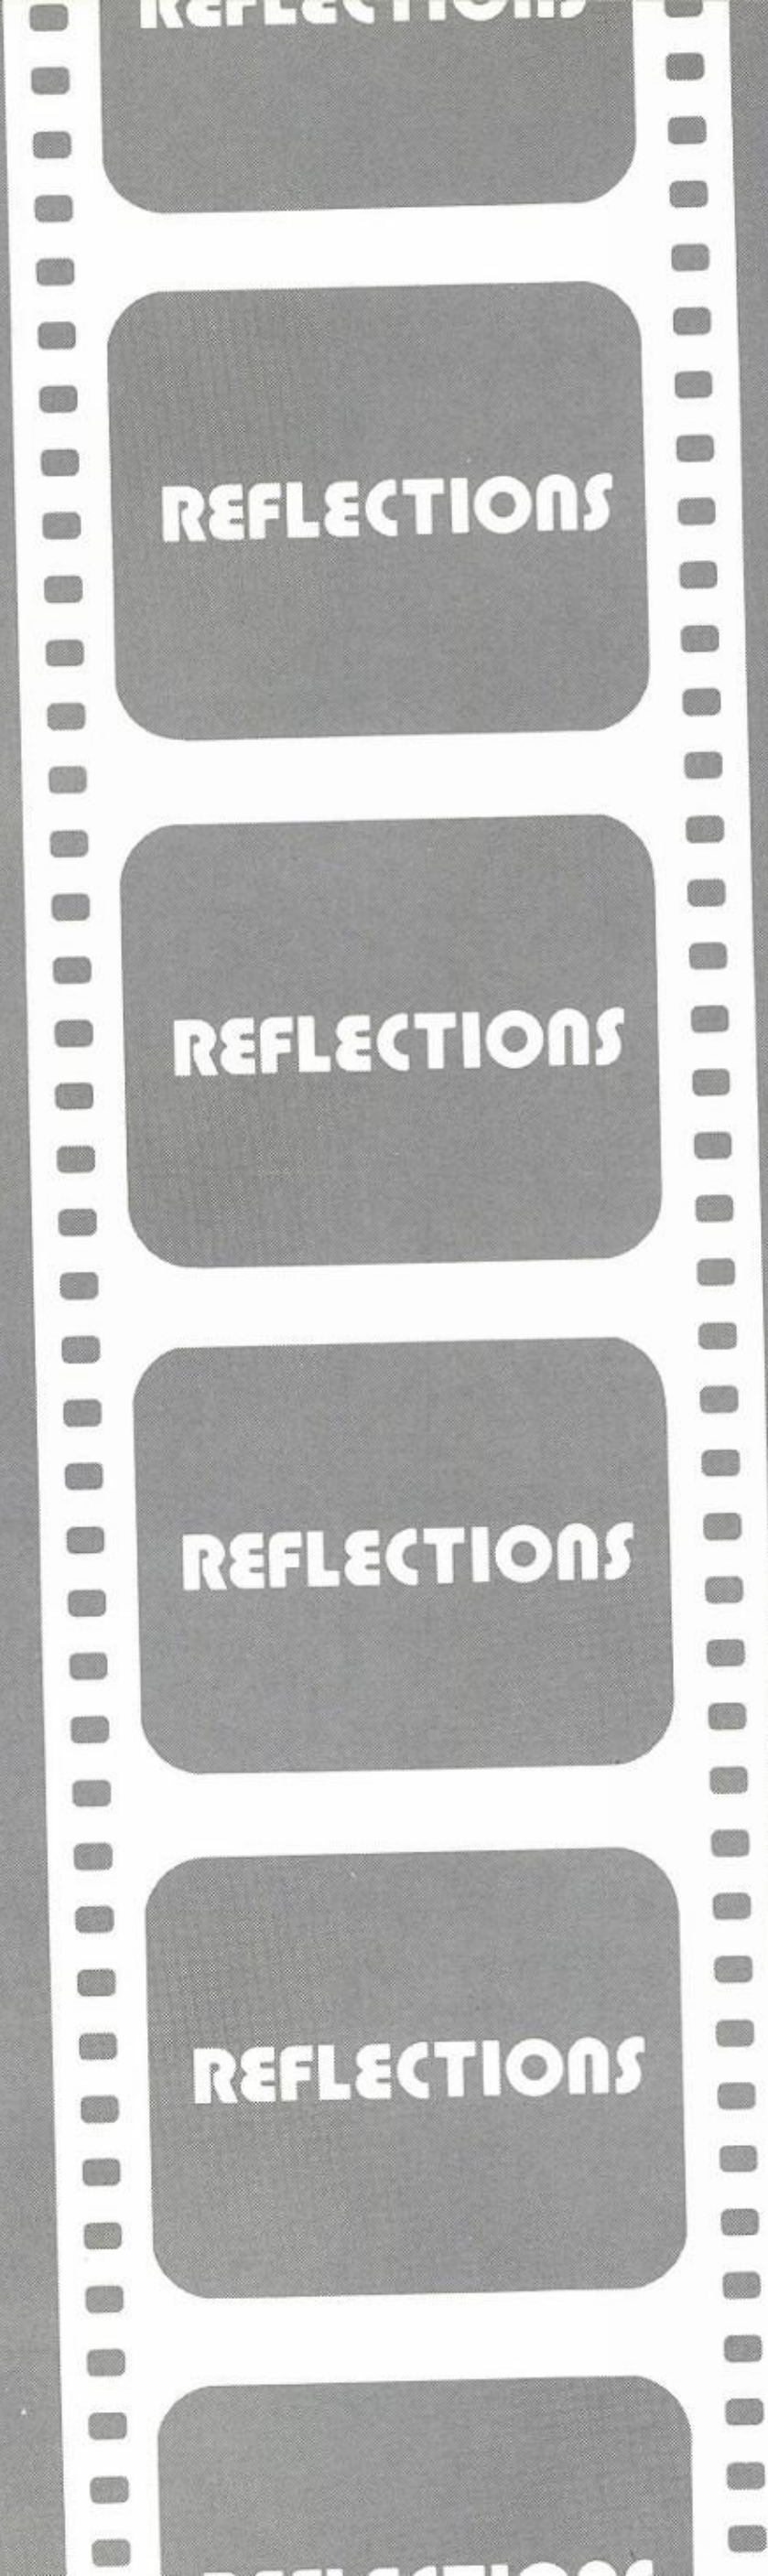
introducing the Freshmen



The class of '85 is off to a great start! As Freshmen, the class contributed to school spirit by decorating a hall for Homecoming and participating in the parade. The class also invested lots of time and energy in fund raising activities. There is no doubt that this year's Freshman class will be remembered for their school spirit and enthusiasm.

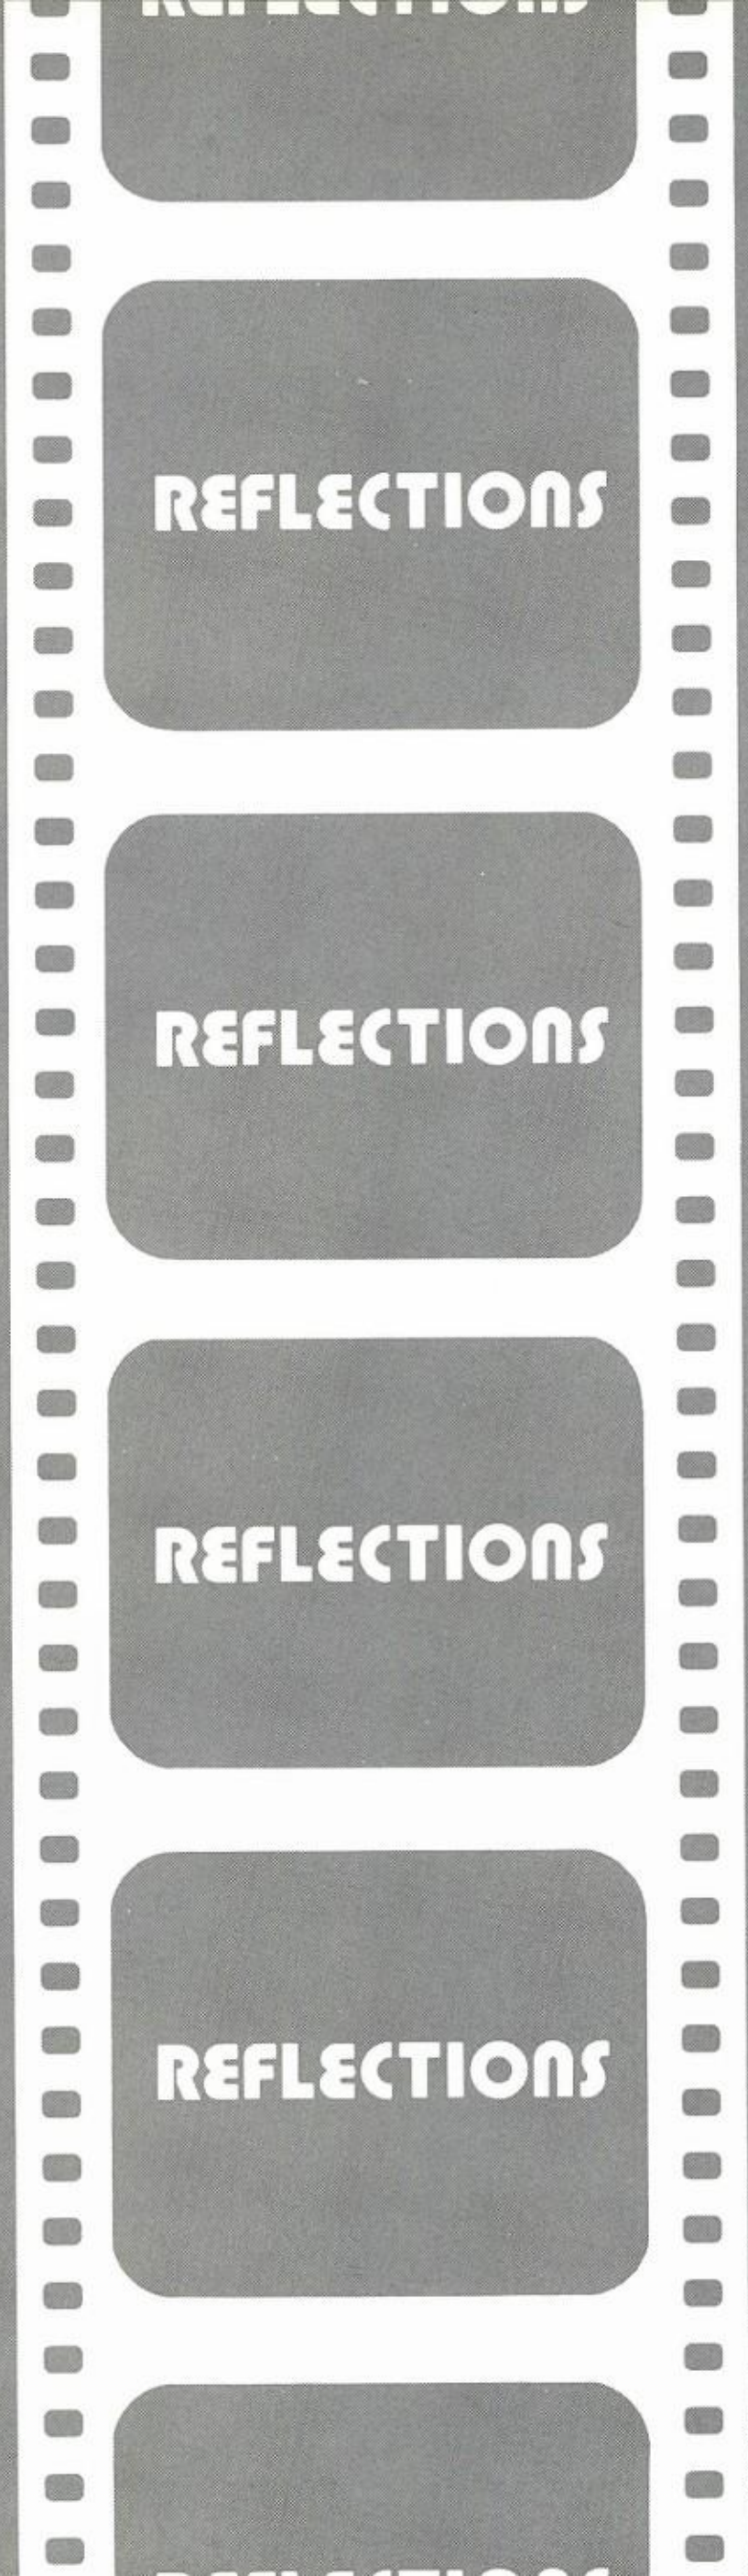
The Story Thus Far...



PSYCHO

It wasn't easy, but they did it! The 1981-82 Yearbook staff reorganized the format of the book and put it out almost without a hitch. The reason for the excellent work done this year was explained by Todd Balog, Editor:

"It was more difficult to get on the Yearbook staff this year than ever before. Students had to apply, as they would for any other job, for a position. Choosing a staff this way proved successful. We had some really great people in Yearbook this year, and the book itself is the evidence."

Judging by the bizarre activities observed by several passers-by, they also had a lot of fun. Leading the crew were, besides Balog, Peter Zdinak, Editor, and Nancy Kissel, Advisor.

The 1981-82 *Tiger Print* staff consisted of 19 hand picked responsible Blue Valley students. Jan Tanzer was the teacher/advisor for the staff. Most of the responsibility of the newspaper rested on the shoulders of Sharon Mercer, chief editor. "This year has been very rewarding for the staff and myself. They are a terrific group of people and I think we have done a fantastic job with *Tiger Print*." The purpose of *Tiger Print* is to inform the student on happenings relevant to their school life.

The *Tiger Print* publications were financed by advertisers throughout the Stanley and Overland Park areas. All of the staff took part in selling the advertising.

The BAD and the BEAUTIFUL

This year's Homecoming was an event to remember. School spirit was displayed throughout the week with Izod day, Toga day, Punk Rock day, and Black & Gold day. The Freshman Class chose Karen Koerper as their class princess, the Sophomore class nominated Rena Coleman as their princess, and the Junior Class voted for Kim Karnes as theirs. The Senior class chose Cookie Cervera, Suzanne Hemeyer, Monica Johnson, Lisa LaSalle and Julie Weiss as the 1981 Homecoming Queen candidates. On the evening of October 29th, a Homecoming parade made its way through downtown Stanley and ended in the parking lot of the school, in front of the first annual Homecoming bonfire. The next night, Friday, was the big game, and at halftime Cookie Cervera was crowned Blue Valley's 1981 Homecoming Queen. She and all of the royalty were escorted in the crowning ceremony by their fathers.

The LAST HURRAH

Thirty-four peppy girls make up the enthusiastic Blue Valley cheerleading squads. The responsibility of these girls is to lead cheers and show pride in their school by keeping the student body involved.

This year's varsity squad consisted of three seniors and five juniors. The team attended a clinic during the summer held by the National Cheerleading Association. At camp they learned many cheers to help in cheering for varsity football and basketball games.

The cheerleaders were under the guidance of their advisors Elaine O'Connell and Karen Helwig.

Many of the new spirit ideas were formed when the cheerleaders attended various summer clinics throughout Kansas. The camps were sponsored by groups such as International Cheerleader Assocation.

The MIRACLE WORKER

This year BV presented the play *The Miracle Worker*.

The cast included 18 talented actors and actresses. Roger Shepard was the play director. Senior Lynn Sharrott took care of minor details under her title as stage manager.

Due to an injury of one of the cast members, the play had to be postponed for 3 weeks.

The Miracle Worker was the most dramatic play ever presented at Blue Valley. The parts were played very well by all cast members.

The Tigerettes showed extreme improvement this year starting with their summer camp. The girls attended a Drill Team camp sponsored my the National Cheerleaders Association. They competed against other teams and brought home a 1st place trophy.

Sponsor for the Tigerettes was Jane Ann Hoffmeister. Hoffmeister succeeded in making Drill Team a formal class this year. The class has helped the girls tremendously by giving them more time to practice.

The KING and I

Yes, Blue Valley is innovative! For the first time ever, the Sweetheart Queen and a King. Five Sweetheart King candidates were elected by the senior class along with the five Queen candidates, and each class elected a Prince *and* a Princess. On the night of the varsity basketball game against Olathe South on February 26th, during halftime, the King and Queen and their court were presented. Ann Warner was elected Sweetheart Queen and Tim Ozburn won the title of Sweetheart King. Always the ones to start new traditions, Blue Valleyians cheered on the King and Queen as they were crowned and honored for the evening.

The MOUSE THAT ROARED

The Blue Valley Student Council focused on preparing for an exciting Homecoming week early this year. Events during the week included dressing up during spirit week, the Homecoming parade, a bonfire the night preceding the game, and the Homecoming dance immediately following the game.

The purpose of STUCO, besides organizing dances, etc. is to represent the student body in the district, act as a form of student government, and show leadership throughout the year.

STUCO had a new teacher advisor this year, Karen Helwig. Miss Helwig, social-science teacher, helped in the preparations of the various activities STUCO planned during the year.

Serrone came to Blue Valley from Pleasant Hill, Missouri where he coached for one year. Prior to that he coached at Coffeyville Junior College for three years. He stated "As a whole we were very competitive. From a coaches standpoint it was very disappointing in that we had the capability of winning every game we played."

BV will be loosing ten fine seniors this year compared to 21 graduating the year before.

Injuries throughout the season played a large part in the season outcome. Dwayne Johnson was lost in the 2nd game due to a knee injury. Steve Meyer, later in the season, suffered a back injury.

Captains were chosen each game to allow all seniors to be captain. At the end of the season the team and coaches voted on captains for there season. Specialty captain was David Smith. Tri-captains were Mike Gillard, Jeff Lewis, and Steve Meyer.

Most Valuable Players were offense-Chaun Wilson, defense-Steve Meyer, specialty team-David Smith.

Honors for the year were: all conference offense-Pat Wildman 2nd team guard and Chaun Wilson 2nd team receiver. All conference defense were. Steve Meyer 2nd team linebacker and David Smith 1st team defensive back. Steve Meyer was selected as a Johnson County Sun 1st team All Star.

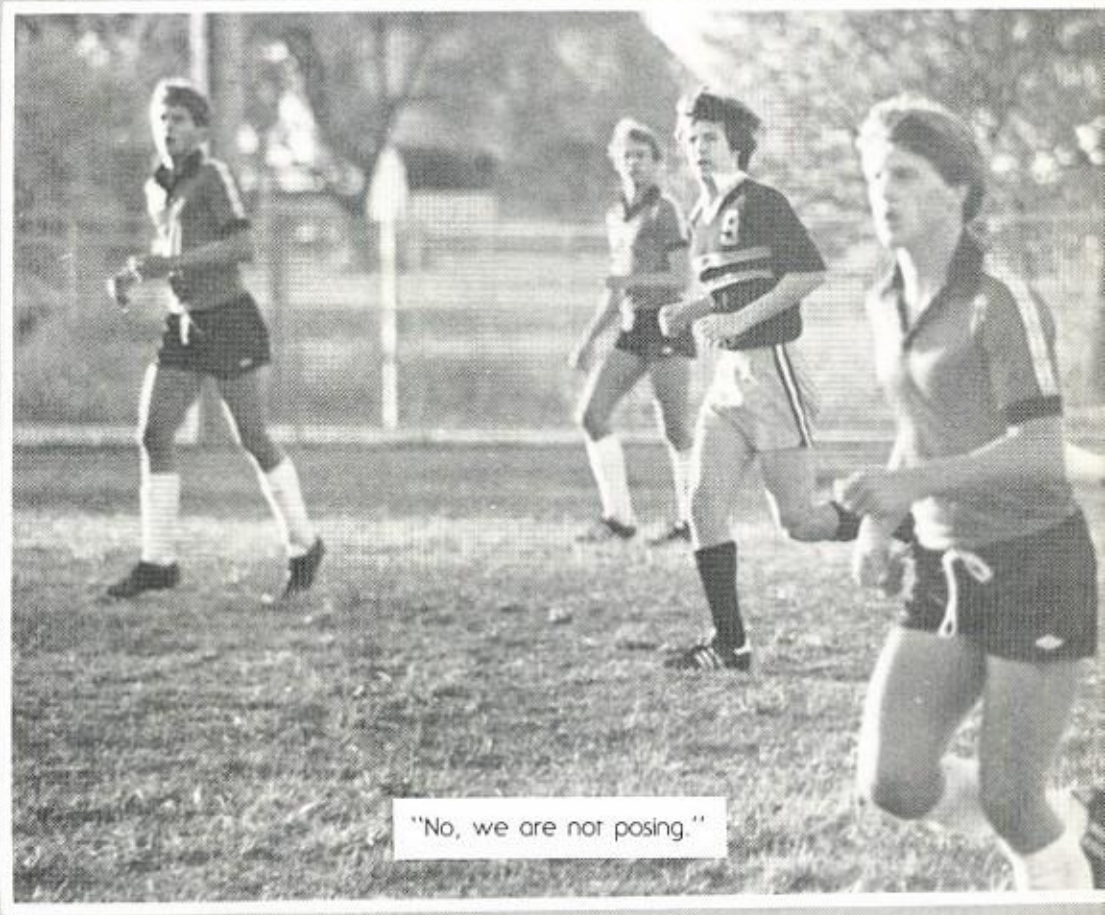
As soccer has grown in popularity across the country, so has it at Blue Valley.

The Tiger Soccer team concluded their season with a 2-9-4 record. "Even though our record shows more losses," stated coach Graham, "the team had a lot of fun and always gave 100%."

This years team had 40 members; 17 of them dressing out varsity. Captain of the team was Tim Ozburn. "Coach always emphasized good sportsmanship, not worrying about always winning but just having fun," commented Ozburn.

Senior Dale Mann was voted Most Valuable Player for the season. Mann was also the leading scorer on the team. Brett Childs was second leading scorer. Three BV team members: Dale Mann, Randy Dodge, and Brett Childs made the Johnson County Sun 2nd All-Star team.

Soccer became a growing sport at BV with fans increasing every game. In the future soccer is going to be a bonifide sport at BV.



"No, we are not posing."

THIS SPORTING LIFE

The Volleyball team this year did very well. They held on 18-12 record throughout the season. The Tigers had to compete against 6A schools who were very competetive. Bishop Meige was their main rival. Meeting the stags in 4 occassions, the Tigers came short each time and were defeated. The Volleyball team placed third in 5A state competition defeating the *#1* seated team in their first march. They fell to Salina South the second and defeated Goddard, the second seated team, to take third.

Overall, they proved that Blue Valley is a team to look out for next year!

The BV cross country team continued to show consistant improvement throughout the season.

The Tigers started out the year running 6 to 10 miles a day to get in shape. Did it pay off? "Yes, you bet it did," senior Theresa Taylor stated.

At State this year the boys took a 3rd place trophy and individual medals.

This year the Tigers sponsored the Blue Vally Invitational. The boys took 2nd losing only to SM South.

Both team, girls and boys, were young teams. The girls had only two seniors on their varsity team; those being Theresa Taylor and Carrie Cline. Taylor was the captain for the team. The boys also had only two seniors, Tim Campbell and Dale Redick. Co-Captains for this team were Dale Redick and Sean Todd.

The squad had only 20 members in all, eleven of those being on varsity. Seniors on the team showed great leadership. Captains were Chaun Wilson and Randy Dodge.

"The competition throughout the season was scheduled to strengthen our team and prepare us for post season tournaments," stated Coach Ball. The new opponents chosen were Emporia, Blue Springs, Coffeyville, and SM West.

The change in the coaching staff brought another alteration for the team. Lindsay Ball took over as head coach and CR Goodin as assistant coach.

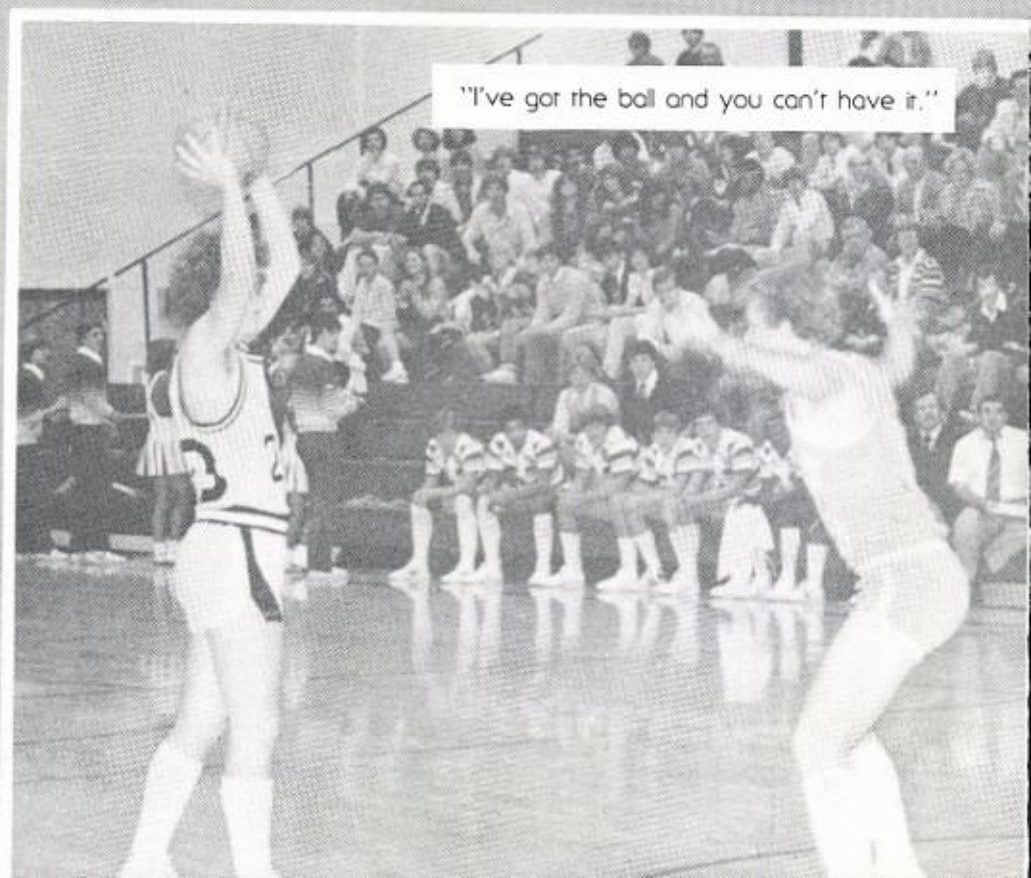
Returning lettermen for the Tigers were: David DePriest, Hunter McDonald, Jim Fiscella, Jon Lawrence, Mike Gillard, Gary Zimmerman and Mark Alexander. Also, two transfer students, Kris Kuehn and Walt Burk, were both varsity lettermen at their schools last year.

Like most teams the Tigers had their advantages and disadvantages. "Depth, experience, and good skill are our greatest advantages," stated second year head coach Draper. "The size of the team is the only disadvantage we have that can't be rendered."

In addition to the regular schedule BV competed in the Center High School Tourney. The Tigers came away with a 1st place trophy defeating Chillicothe in the finals.

Draper stated that, "Unfortunately some leadership and ability will be gone after this year, but I feel very strong about the juniors and know they can fill the leadership needed."



"I've got the ball and you can't have it."

Blue Valley's girls basketball team was promised to be dominent in the East Kansas League. As expected, the Tigers played up this role.

The varsity team ended their 1981-2 season with an exceptional record. The coaching was headed by Roy Flook. Other coaches were Susan O'Dell-JV, and Cindy Smith freshmen team coach.

In early season games the team displayed its depth and skill. Junior, Maggie LeValley's presence on the team is one of the key factors that lead to the Tigers success.

Although the team included only three seniors, Ann Warner, Julie Edgar, and Tracy Osterkamp, they succeeded in showing the underclassmen great leadership.

Row One: M. Vinton, G. Gauert, S. Ready, Coach Flook, D. Flook, J. Edgar. Row Two: C. Selby, L. Bryan, M. LeValley, T. Osterkamp, K. Burk, A. Warner, C. Huggins, P. Carney, Coach O'Dell, D. Asbill.

"I get high on basketball."

Basketball-the new contact sport.

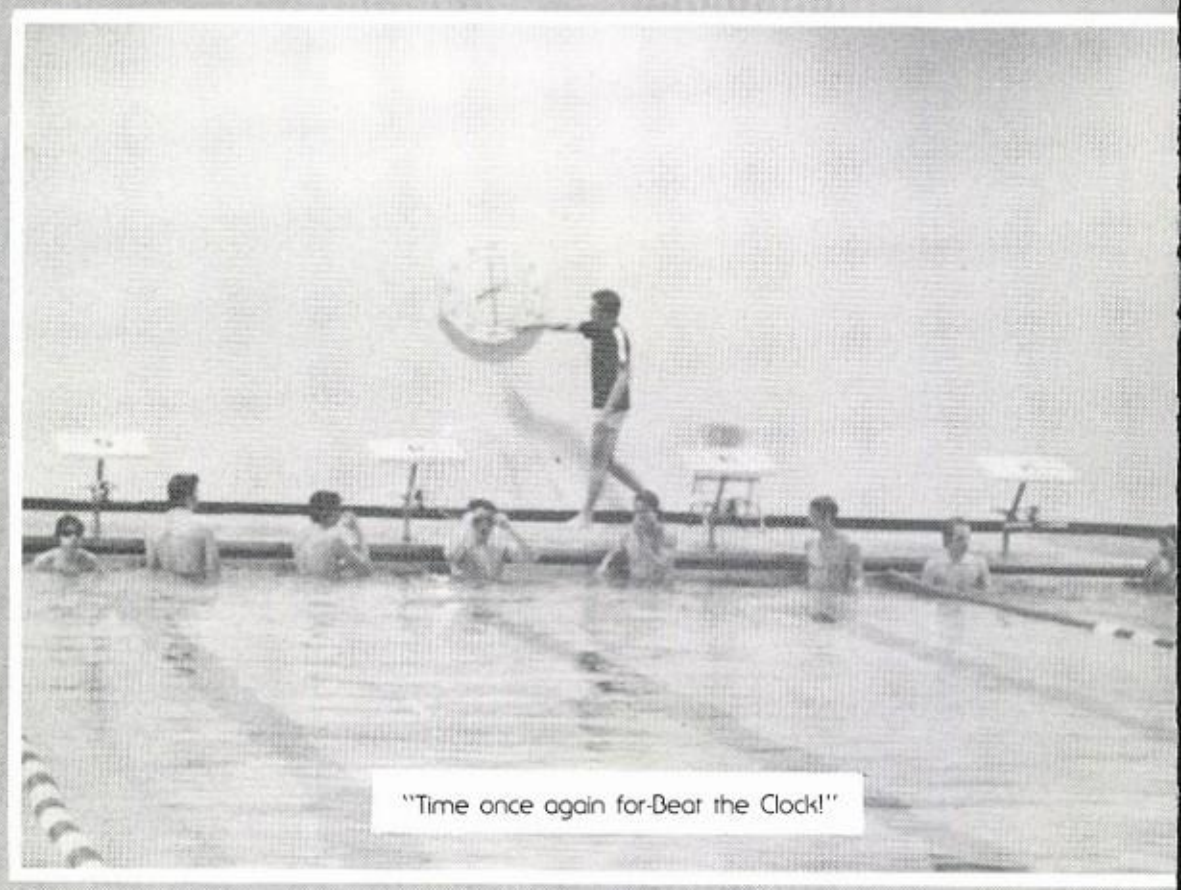
"Wanna know what Nessie looks like?"



"Time once again for-Beat the Clock!"

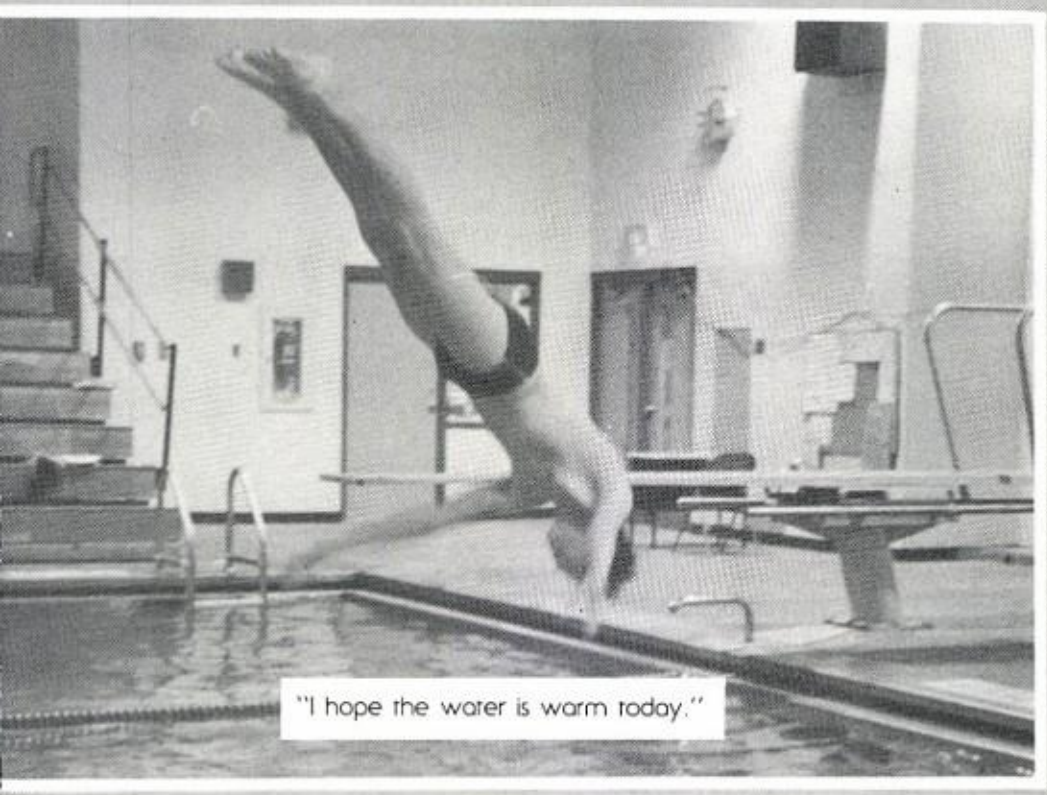
This year was the first "official" season of competition for the boys swim team.

The team has four returning lettermen. Adding to those lettermen are newcomers, Barry Weiss and Kenron McKeehan.

The Tigers were led by seniors Steve Black, Barry Weiss, and Grant Tennison with juniors Kenton McKeehan and Joe Bondank.

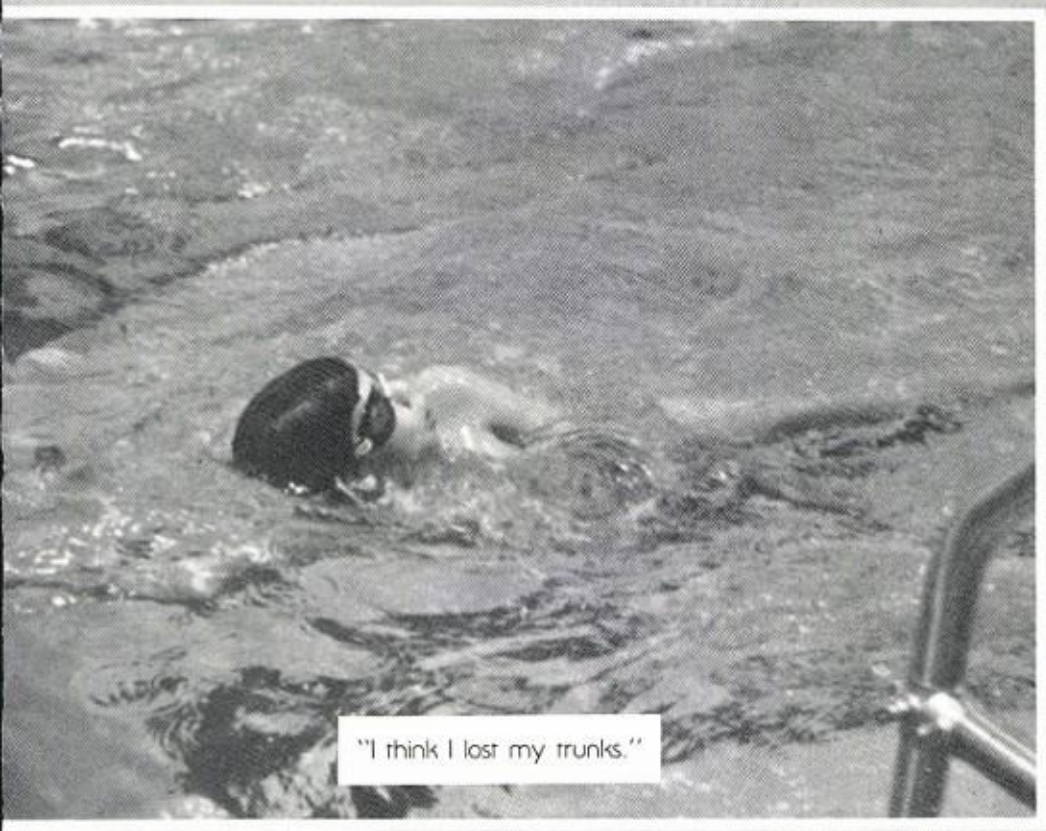
The schedule this season consisted of many Missouri and Kansas schools. Among the Kansas schools the Shawnee Mission district proved to be the toughest competition.

The coaches for boys swimming were head coach Peter Klein and assistant coach Nancy Kelpe.

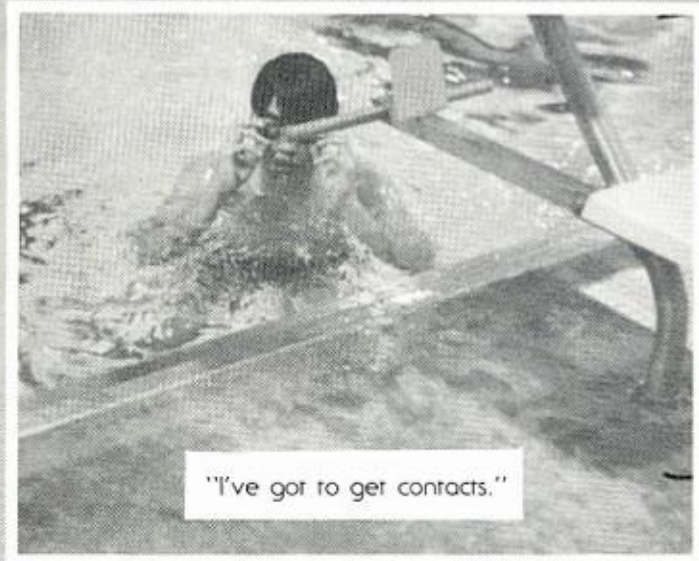


"I hope the water is warm today."

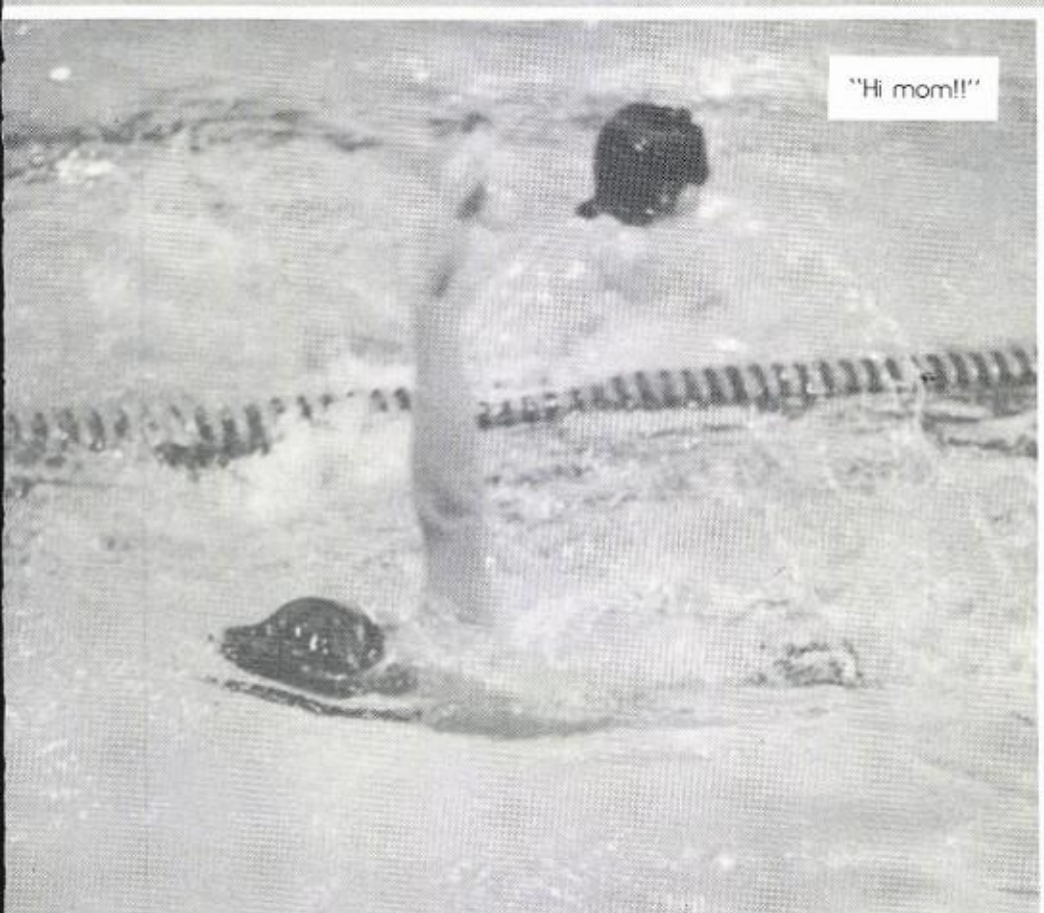
"But I can't swim!"



"I think I lost my trunks."



"I've got to get contacts."



"Hi mom!!"

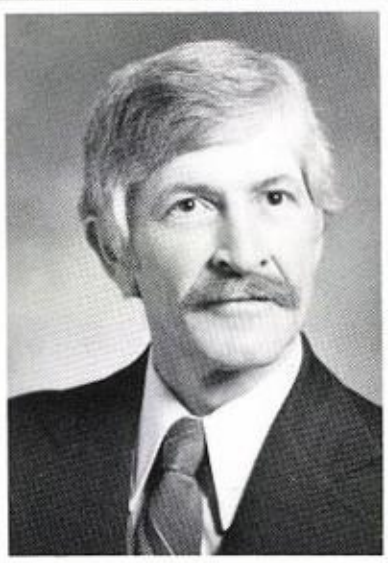
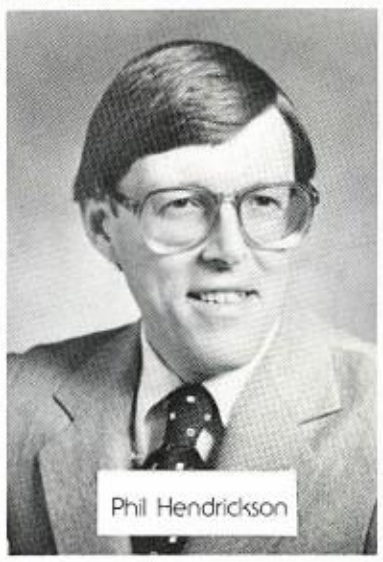
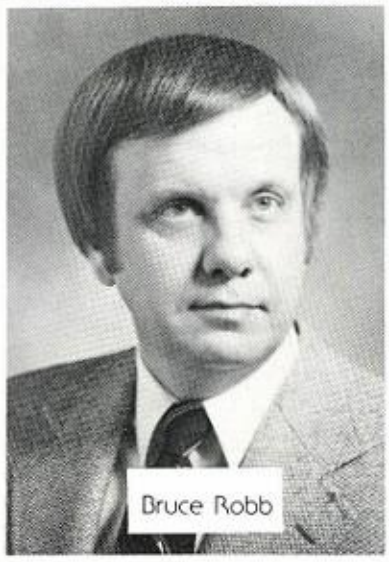
Dr. Thompson:
"1981-82 has been a very eventful and successful year in Blue Valley Unified School District. With continued growth in student enrollment, the school district has been busy in opening new school facilities, building additional ones, and planning for needed schools in the future. Growth has enabled the district to add faculty and staff members, expand the curriculum, and develope new activities and programs. The Blue Valley School Distrrict is very proud of Blue Valley High School and of the outstanding accomplishments of its students and faculty."

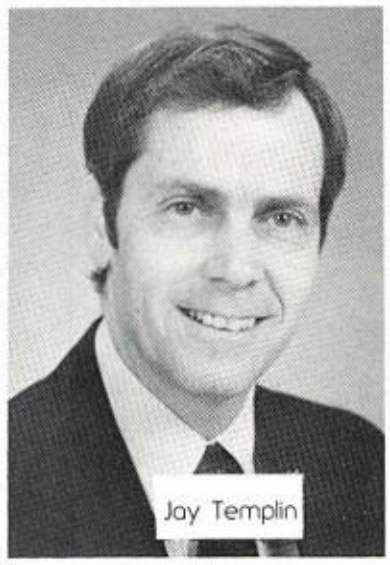
Dr. James Thompson
Superintendent of Schools

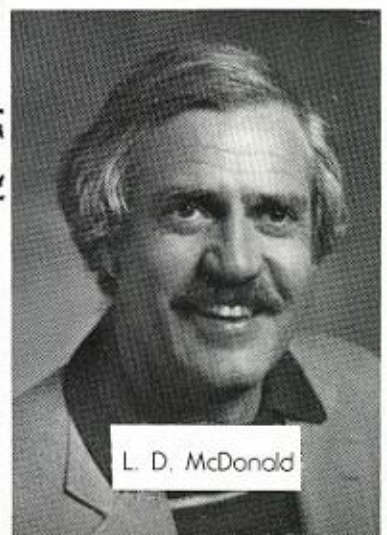


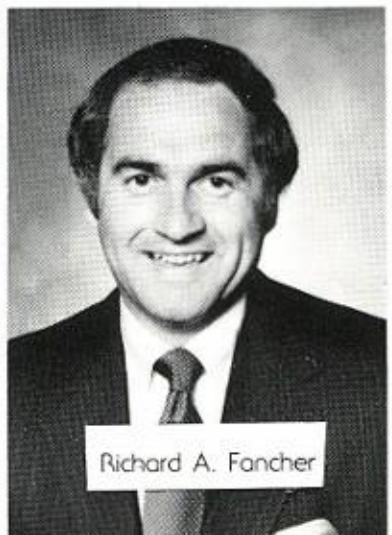
Dale Holt











1981-82 has been an eventful and successful year for the class of 1982. My best wishes go to a talented and delightful group of people. The successes of Blue Valley High School this year largely result from your positive leadership in academics and activities.

Like yourselves, teachers share mixed feelings at commencement. We share your relief that the pressures of the year near an end, but teachers feel a certain sadness which many of you will experience. The sadness comes from realizing that a special student, a class that was especially enjoyable, a choir or band carefully molded, a team that became very important to us will be leaving soon. The commencement ceremony marks a conclusion to one period in your life, but — as the term implies — just the beginning of another. We take pride as a faculty, and as a community, in your accomplishments during this period of your life, and we sincerely hope your years at Blue Valley High School will contribute to your future success.

Class of '82, thanks for a great year.

TUNE IN TO A SOUND REVOLUTION.

SONY'S FM WALKMAN* STEREO RADIO.

FM stereo-to-go strolls into a new age with Sony's revolution in personal listening. We call it the FM Walkman. It's a miniature FM stereo receiver that clips onto your belt or hides in a pocket. Plug in the featherweight stereo headphones and hang on to your socks. The full-range sound is so exceptional, it rivals your home stereo system. Weighing a mere six ounces, our FM Walkman is perfect for rock 'n roll skating, skiing, jogging or relaxing to the strings of Stravinsky. And you can plug in an optional second pair of headphones and share the FM riches with a friend. The headphone wire doubles as an antenna. There are separate right and left volume controls. An LED stereo indicator. And highly sophisticated circuitry for clear reception. Walk in soon and hear our exciting stereo FM Walkman. At $90, it's hard to keep our personal portable from running out.
